Salient points / Concluding Remarks

Students of RUW have proven their worth to be known few amongst the best in the academia. This also projects the hard work of the supervisors and the quality of education that they have instilled in the minds of the students. The above mentioned prominent academicians paneled the presentation with high appreciations. Stating their impressions as “The 12 posters were all incredibly well done and selecting the top 3 was a challenge. Your students should all be extremely proud of the results of their hard work, efforts and diligence!”
