Venue: Al-Khobar, KSA

Date: April 26-28, 2016

During the period from 26-28th April, 2016 the College of Art and Design participated in the GCCM Skills competition 2016 held in AL Khobar, KSA. RUW represented Bahrain in two skills, Fashion Design and Graphic Design. Ms. Noora Khaled Binfalalah, a fashion design student and Ms Sara Matar, a graphic design student from College of Art & Design represented Kingdom of Bahrain in this competition. They were joined by Dr. Mona Suri and Ms Verdian Coetzee as experts for Fashion Technology and Graphic design respectively. Dr. Shweta Kinra and Dr. Nessreen Elmelegy along with Dr. Mona had trained Ms Noora in Fashion technology, and Ms Verdian trained Ms Sara.

Both students put forth a great deal of effort in this competition and we are very proud to announce that **Ms. Noora Khalid Albinfalalah won the bronze medal in Fashion Technology Skills.**

We are proud of both of our students participating in this prestigious competition. They have made RUW and their country, the Kingdom of Bahrain, very proud.

Congrats to all.
