Welcome Note from the President

With great pride and honour, I am presenting the Royal University for Women (RUW) Annual Report for AY 2021-22, highlighting the remarkable achievements and milestones we have reached in the last year. This Report provides an insight into major achievements, outlines future plans and distils the cumulative testimony of the efforts made by the university at various levels towards enhancing the development of an institutional culture that fosters productivity, creativity, and academic excellence in supporting student success and achieving university goals and objectives. It summarises our performance against strategic objectives and highlights key milestones we have reached during AY 2021-2022.

In the pursuit of excellence, RUW has continued to witness exceptional achievements from our students and staff, who have demonstrated unwavering dedication and passion in their pursuit of knowledge. Empowering women continues to drive our institution and shape the future of higher education.

I wish to acknowledge and thank the students and alumnae, Government and Higher Education regulatory bodies, industry, and philanthropy and at all levels of communities. In addition, I wish to note and appreciate the support we have had from our academic partners as well as the Supreme Council for Women. I would also like to acknowledge the continuous and ongoing support and commitment of the University's Governance Boards who, in carrying out their fiduciary responsibilities, actively promote the interests and mission of the University by providing strategic direction and valuable resources for the advancement of teaching, research and outreach services, all of which are essential characteristics of any leading institution.

Professor Yusra Mouzugh
President

Vision and Mission

RUW provides an exceptional learning experience for women. The university focuses on the empowerment and advancement of women through higher education. Therefore, we aim to prepare outstanding women leaders and empower them to participate effectively in sustainable community development. We work on enhancing our students' critical and creative thinking in an educational system specifically designed with women in mind. Our students are exposed to theoretical learning and practical training, and we link them with the labour market and encourage their research contributions. RUW graduates will be equipped with the necessary knowledge and skills to become effective global citizens who contribute to sustainability locally and internationally.

Our Vision:

To create the next generations of female leaders locally and globally through research-informed, stakeholder-engaged, quality education.

Our Mission:

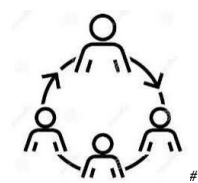

To be recognised regionally as a key contributor to providing a quality educational experience centred around the advancement of women.

RUW Strategic Plan 2022 – 2027

The main aim of the strategic plan is to provide clear direction and the course of action RUW intends to take to achieve its strategic objectives. The plan proposes RUW's goals and activities that transcend the boundaries of faculties, departments, and administrative sections. This strategic plan focuses on the synergy of all the academic and administrative units. The plan spells out RUW'S aspiration of becoming a regional leader for women's academic excellence and achieving international standards in its operations.

RUW Core Values

Integrity

We act in an honest, fair, transparent, and ethical manner to create a culture of trust and equality evident in all University activities and decision making.

Commitment

We accept responsibility to work diligently, be accountable for our work, and honour our commitment to fulfil the mission and vision of the University.

Respect

We embrace our differences and treat other collegially with civility, openness, and professionalism in all interactions, activities, and decision making.

Diversity

We acknowledge and honour the fundamental value and dignity of all individuals and create a culture which respects diverse traditions, heritages, experiences, and perspectives.

Excellence

We strive for excellence in teaching, research, and service and to uphold the highest standards of intellectual inquiry and academic freedom.

Learning

We value education that balances theory and practice, develops critical thinking, emphasises active learning, and fosters responsibility and the desire for the lifelong pursuit of learning, and is career oriented.

Innovation

We foster a culture of creativity and ingenuity which encourages research, forward thinking and entrepreneurship.

Engagement

We engage with all stakeholders of the university in the creation and dissemination of knowledge on local, national, and international levels.

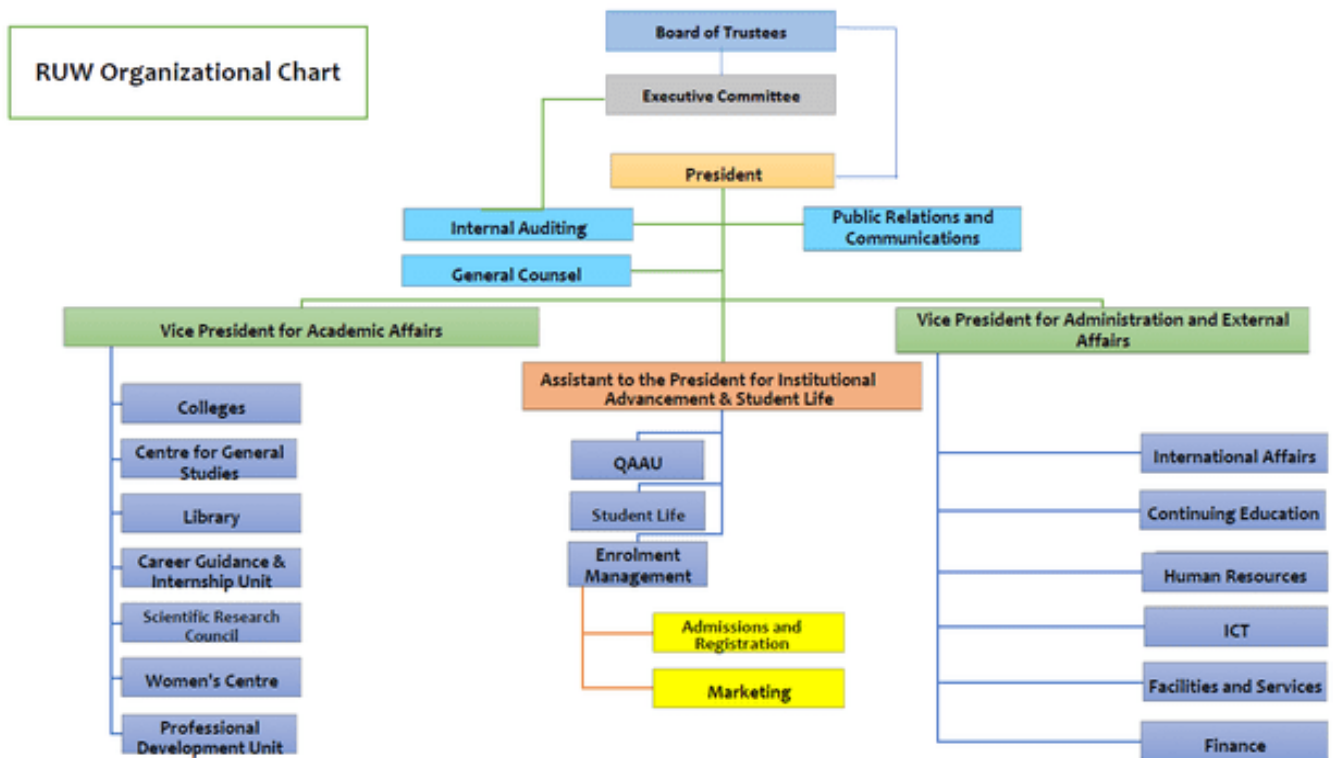

Governance

RUW is an international university that brings a world of experiences and opportunities to its students, with leading governance that places the students as it's number one priority.

Effective governance was carried out through the institutions' appointed committees which met and discussed all aspects of the University's operations. Meetings of the Board of Trustees, Executive Committee, Academic Committee of the Board, University Senate, Executive Leadership Team, Deans' Council, and all College Councils were held regularly throughout the Academic Year (AY) 2021-2022.

Cooperation ties with Supreme Council for Women

RUW is dedicated to educating aspiring women leaders who are engaged members of their society. We nurture an environment where women can excel and involve our students in a host of community engagements, social and cultural programmes. The university is proud of its close relationship with the Supreme Council for Women and continues to work closely with them in many aspects of women's empowerment and advancement.

RUW and Higher Education Council

RUW falls under the guidance and leadership of the Higher Education Council (HEC), and the university appreciates the support of the HEC for the university's strategic mission and vision. RUW fully believes in the pivotal role played by the HEC as the regulatory body for higher education in Bahrain and looks forward to continuing productive cooperation for the betterment of the Bahraini educational system.

Celebrating Bahrain Women's Day at RUW.

At RUW, and in the presence of university presidents and many ambassadors and students, the Higher Education Council organised a celebration on the occasion of Bahraini Women's Day under the patronage of the Secretary General of the Supreme Council for Women (SCW), Her Excellency Ms. Hala Al Ansari. The slogan was "Bahraini women in National Development",

Her Excellency Dr. Shaikha Rana bint Isa bin Duaij Al Khalifa, Secretary-General of the Higher Education Council (HEC) and Deputy of the Board of Trustees of the Higher Education Council visited RUW.

In October 2021, H.E. Dr. Shaikha Rana bint Isa bin Duaij Al Khalifa, Secretary-General of the Higher Education Council (HEC) and Deputy of the Board of Trustees of the Higher Education Council visited RUW. Her Excellency met with the President of the University, Professor Yusra Mouzughi, and members of the administrative and academic bodies. During the visit, Her Excellency toured the university's facilities and female students' dorms, noting its readiness to provide educational services of the required quality.

Her Excellency, Dr. Shaikha Rana bint Isa bin Daij Al Khalifa, Secretary General of the Higher Education Council and Deputy Chairman of the Higher Education Council Board of Trustees, received at her office Professor Yusra Mouzughi, President of RUW in February 2022.

During the meeting, the university's strategic plan was reviewed, as well as aspects related to the academic programme process and what it offers students in various fields and specialisations, giving them options in the field of education and allowing them to improve life skills necessary for the labour market. Professor Yusra Mouzughi expressed gratitude for the Secretary General of the HEC's efforts to improve the higher education system, and her deep appreciation for the support RUW receives at all levels, reflecting the Kingdom of Bahrain's strong interest in the education sector.

RUW Collaboration with Industry

RUW Signed Education Financing Agreement with Al Baraka Islamic Bank

To provide the necessary funding to cover the costs of education for female students who wish to enrol in the university, RUW signed a cooperation agreement with Al Baraka Islamic Bank, one of the top Bahraini financial institutions in the field of Islamic banking, as part of the programme that was recently launched to contribute to the development of education in the Kingdom.

RUW and Bahrain Businesswomen Society Sign Memorandum of Understanding

To provide the students with the required skills and knowledge for business and entrepreneurship, a Memorandum of Understanding was signed between RUW and the Bahrain Businesswomen's Society. The collaboration intends to improve the startup ecosystem in Bahrain, nurture entrepreneurial skills, and provide a platform through which participants can exchange knowledge, experiences, and ideas.

RUW Signs MOU with Bahrain Student-Funds Foundation

RUW had the pleasure of welcoming Mr. Abdulghaffar Al Kooheji, Chairman of the Board of Trustees of Bahrain Student Funds Foundation, Dr. Bassam Al Hamad – BoT Member, and Mr. Mohammed Alansari – CEO, to renew the Letter of Cooperation to support the provision of educational services to Bahraini students. This is an excellent opportunity for students to benefit from a zero percent interest loan to support their studies. RUW is grateful for the continued partnership with Bahrain Student Funds Foundation.

Community Engagement

RUW President Meets Dr. Riyadh Al- Saie of Bahrain Philanthropic Society

Professor Yusra Mouzughi, President of RUW met with Dr Riyadh Saleh Al-Saei, a member of the Board of Directors of the Bahrain Philanthropic Society and its University's Students Committee. The two parties discussed opportunities for cooperation to support charitable and purposeful activities that benefit students and enable them to pursue higher education, including the university student support programme offered by the Society. Professor Mouzughi praised the association's role and contributions in providing charitable initiatives to students in the Kingdom of Bahrain, which contributes to their development and investment in their education for a leading future.
